---

The certificate is a copy of one displayed in the windows of houses across Hastings and St Leonards during the war to signify that men from their households were away on war service.

As part of the town's commemoration to mark 100 years since the war's end, we are asking the current occupiers of the properties the named individual lived in to place this certificate in their front window between 1st and 30th November 2018.

The information is taken from the Hastings and St Leonards Pictorial Advertiser, published in March 1915. The original copies of the paper are held by East Sussex Archive.

If you live in Hastings and St Leonards you can research who lived in your house or street by visiting [www.w1rollofhonour.co.uk](http://www.w1rollofhonour.co.uk). The website contains photographs of the men and women from the town that served their country during the Great War.
